Following the announcement of Val & Bill's well earned retirement, the Trustees wish to add their very best wishes and a massive thank you from all CCLASP families for your tireless work during the last 27 years. The Trustees would also like to pass on their thoughts and hopes for a speedy and successful treatment and full recovery for Bill's illness. Val & Bill have during the last 27 years invested all of their energy into supporting others impacted by a Childhood cancer. Val & Bill want to wish all CCLASP families well for the future and knows that CCLASP will continue to offer key support moving forward. The Chair of the Board of Trustees who run CCLASP is Willie McEwan who has been a very special friend of the charity since its beginnings. Willie has been instrumental in the success of the charity and a tireless supporter of its good works. Under Willie's guidance, a new team is ready to continue and build upon the work of the charity and, with Covid restrictions easing, bring our new centre into being as a support hub of peace, tranquility, professional advice, recreation, support and relaxation. The work of this wonderful charity will continue with hospital transport, telephone support, hospital liaison, making dreams come true, days out, and all the old and new special things which define CCLASP. Our respite cottage at Muthill will soon be available for Covid safe use and the new team are bursting with ideas to best serve and support all those suffering from cancer and leukaemia. It will clearly take a few weeks for the new team to bed in and prepare for the opening of the centre and we look forward to inviting you to our Children and Families Open Day. Barry is our new hospital transport driver and whilst we set up an online booking form his mobile number is 07375 991572
